

Ivanhoe Challenge

Terms & conditions *(updated 02/01/2019)*

By entering the event, you accept the following conditions:

- If there are extraordinary circumstances (e.g. extreme weather conditions) the organisers reserve the right to cancel the event at their sole discretion. In the rare risk of cancellation, we regret that the club will not be able to offer refunds. Entry fees are non-refundable.
- People using the event car park do so at their own risk.
- You are responsible for getting your athlete to the start of their race before the start time.
- You cannot change your team after the race has started.
- You must run for your school to count for the Primary School challenge.
- You declare that your child is medically fit to run this race and understand that he/she enters at his/her own risk. The organisers shall not be liable for any accidents, injury, loss or damage resulting from your child's participation.
- The press and event photographer has been invited and photographs will be taken. Please let the organisers know if you do not want your photograph taken. Photographers will be recognisable as wearing a Hi Vis bib marked with 'PHOTOGRAPHER'.
- By adding your email address, you are happy to be notified by the club of future events.
- The courses may be changed due to circumstances beyond the organisers control.
- It is encouraged that entries are made in advance before the closing date using the online entry system. This assists the event to be run to time and as efficiently as possible, with minimal queues and waiting for results etc.
- Entries on the day will be accepted but will be subject to a fee of £12 per athlete and must be registered at least 45 minutes before the start of the race entered.
- You must not run alongside your child during the race. Any parent found doing so would risk their child being disqualified.
- When races are in progress, you must not enter the marked-out course. Keep behind the taped off areas. Please understand that the races are competitive, not a fun run.
- The event is completely run by volunteers. You must respect the officials, marshals & event supervisors and under no circumstances, verbally or physically abuse them.
- All races are categorised by ages according to school year. Athletes must be at least 5 and under 18 years of age to participate.
- The courses for each race have been carefully selected. All races will be fully marshalled and races 2 to 7 will be 'hared'.

- Please note that these races try to accommodate people with disabilities but will not be suitable for wheelchairs.
